

TEAM BUILDING AT UNITED FOOD BANK:

Unite Your Organization for a Cause!

Join us at United Food Bank for a unique team-building experience that combines corporate camaraderie with a meaningful cause.

Since 1983, United Food Bank has been dedicated to providing hunger relief to people in the East Valley and eastern Arizona. We depend on volunteers to sort, pack, and distribute the food we provide to our neighbors in our 5 county service area. As a proud member of Feeding America, our food bank collects, acquires, stores, and distributes food to 120+ partner agencies, serving over two million Arizonans annually.

With limited resources and volunteer opportunities available, United Food Bank prioritizes volunteer scheduling based on corporations who support our mission in three ways: volunteerism, food drives, and funds. On average, United Food Bank builds 40,000 emergency food bags a month. Our emergency food bags cost can range from \$11 to \$17 per bag; each volunteer shift builds an average of 1,200 bags.

By donating towards your team building experience, it helps offset some of the operating and programming costs for United Food Bank.
