

PROGRAM ELIGIBILITY

ELIGIBLE NEIGHBORS ARE ANY OF THE FOLLOWING:

THE ILL

INFANTS

NEIGHBORS AT RISK OF
EXPERIENCING FOOD
INSECURITY

ABOUT OUR PROGRAM

Our agency has partnered with the United Food Bank to provide donated food items, including donations from local community members as well as food rescued from grocery stores that are partnered with Feeding America.

Agencies in partnership with the United Food Bank must verify that the neighbor falls into any of these categories: someone who is ill, an infant, or a neighbor who is at a higher risk of experiencing food insecurity through a self-declaration process. These agencies are required to maintain records to make sure that our neighbors who need assistance continue to qualify for assistance.
